SKILLS

PROGRAMMING
PROFICIENT:
• C++ • Python • Sql
FAMILIAR:
• Java • C • Shell Script

TOOLS & FRAMEWORKS
• Flask
• Django

DATABASES
• MySql • Firebase Realtime & Firestore DB

OTHERS
• Chrome Extensions • Git • Open-CV

COURSEWORK

• Design and analysis of algorithm
• Data Structures and algorithms
• Introduction of modern application development
• Operating System Structure
• Android Development

HOBBIES

• Competitive Coding
• Cube Solving
• Puzzle & Sudoku Solving

PROJECTS

CUSTOMER MANAGEMENT PLATFORM ⇗ ⌗
March 2020 - June 2020
• A Hotel management platform having functionality like create customer and saved the various information of customer like orders.
• Tech Stack Used Django and hosted in Heroku Server.

BOOK RECORD MANAGEMENT ⇗ ⌗
January 2020 - April 2020
• Django-based project which helps a user create, read, update and delete a book from the database.
• Tech Stack Used Django and MySql Database.

AUTOMATE THE MACHINE ⇗ ⌗
January 2019 - April 2019
• Java based project used robot class to automate the machine.
• Remotely shutdown your pc! write on text editor! controlled the whole keys of system.

EXPERIENCE

DJANGO FILE HANDLE ⇗ ⌗
Open Source Contributor | April 2020

• Project: A File system application which helps a user to upload and downloading files using Django.
• Created the Login and Sign-Up page and integrate with MySql Database.

NWOC ALGORITHMS ⇗ ⌗
Open Source Contributor | December 2019 - January 2020
• Project: This is a library of various Algorithms that are used in Competitive Programming.
• Added Core Algorithmś during the 2 Month Period.
• Top Contributor of the Project.

ACHIEVEMENTS

• Secured 177 Global rank out of 35k+ participants in CodeChef September Long Challenge.
• Secured 1790 Global rank out of 28k+ participants in CodeChef August Long Challenge.
• 4 Star Coder in CodeChef with the rating of 1835. ⇗
• 6 Star Coder in HackerRank. ⇗
• Secured 2nd and 3rd Position in Coding Contest Organized by College Coding Club.
• Got certificate of excellence from Coursera in Algorithms & Data Structure. ⇗
• Got Scholarship from GirlScript Foundation. ⇗
